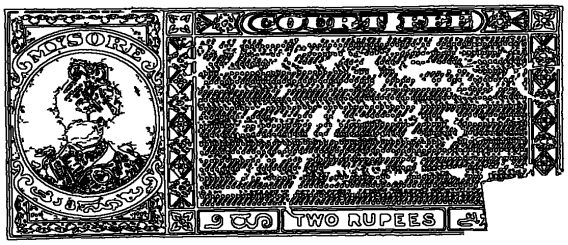
To

The President,
City Municipal Council,
Bangalore.



Sir,

We, the residents of Kannamma Gudipalya, Kempapur Agrahara, Bangalore Taluk, beg the favour of your honor to state as follows:-

We are being often troubled and notices issued against us for the last six or seven months to pay up our house taxes. This village is a Jodi Village and we are paying our taxes to our Jodidar, and are now required to pay double tax to the Municipality. We request your kind favour to see that the double tax is removed and that we are made to pay only single tax either to the Jodidar or to the Municipality.

The drain, and the dirty water flowing from the Jinny mill corners has spoiled the fertility of the cultivable fields and the locality is rendered very unhealthy on account of this stagnant mosquitoes. We request therefore to pray that these grievances may be removed, and that your honor may be pleased to inspect the place and do the needful, for which act of kindness and generosity we pray for our long life and prosperity.

We, the residents, beg to remain,
Sir,
Your obedient servants,

Copy submitted to the First Member of Council, to the Government of His Highness the Maharaja of Mysore, for favour of kind information and necessary communication of a kind endorsement to the undermentioned residents.

Most Honored Sir,

We the undersinged inhabitants of Kempapura Agrahar situated about 100 yards from the Binny Mills Premises most humbly and respectfully beg to bring the following few lines to your honor's kind and favourable consideration.

I (a) The Bangalore City Sewage and Binny Mills Colour drainage pass by the side of the said village The Municipality had auctioned the above sewage to the Garden owners of the village. As a consequence the climate of the village has become unhealthy and the the people are suffering from malarial fever, enlargement of spleen etc and some have left the village for this reason. Animals also suffer from diseases by drinking the said waters.

(b) There are only 3 or 4 wells and they are almost dry. Ther has been great scracity of water.

II. We submitted several petitions to your honor and none of which has been complied with

III. There are bunglows of the Binny Mills in our village and they are all supplied with pipe water.

IV. Under the circumstances, we humbly pray your honour to kindly visit our village and remove our grievance by giving pipe water connection to our village.

We beg to remain,

Sir,

We, the undersigned residents and landholders of Kempapur Agraharam, beg leave to submit the following to your kind consideration.

We own lands near the Agrahar for the last 20 years and we have been utilizing the Sewage Water of the City for cultivating the above lands. Some of the people of the village have put in an application to you praying that the sewage water should not be allowed to be utilized by us for our fields here but that it should be carried further down The truth is, they own lands down the Agrahar, and they earnestly wish to utilize this sewage water for cultivating their lands there We have been enjoying this water for the last 20 years and we mainly depend upon this for cultivation . Our lands are at a high level and water is scarce. If this is stopped in deference to the wishes of the other party, we shall be put to much hardship and loss We, therefore, pray that you will kindly inspect the lands of both and do full JUSTICE to our cause They have prayed for

for light and drinking-water. The Agrahar is in real need of pipe water. So, we further pray that both water and light be allowed for the convenience of the residents.

For this act of kindness on your part, we pray GOD for your long life and prosperity.

We beg to remain,

Sir,

Your most obedient and humble servants,
